

**Application for Graduate Assistantship in the Department of Sociology and Anthropology**

The position of Graduate Assistant occupies a special status within our graduate program. Graduate Assistants are expected to be able to work closely with faculty in assisting with faculty research or other relevant projects as assigned by the Coordinator of the Graduate Sociology Program.

In addition to completing this application form, you must provide a cover letter indicating your interest in the position and *two* recommendations from individuals who can comment on the quality of your work. Recommendation forms are attached.

For fullest consideration, application and letters should be submitted to the Coordinator of Graduate Sociology by March 15, prior to the academic year that assistantship is to begin.

Name: \_\_\_\_\_

Today's Date: \_\_\_\_\_
