

# Study Business & Economics in China

May 10-29, 2009

*Learn firsthand about business & economics in modern China  
Immerse yourself in a culture rich in history and tradition.*

Spend 2 ½ weeks at Anhui University of Technology, Ma'anshan, China, studying international management and communication or contemporary economic issues while participating in activities with the students at Anhui University. Your accompanying professors will be Dr. Lily Ren & Dr. Melanie Marks.

Features of your trip:

- **Choose MANG 295/495:** *Management and Communication in China* with Dr. Ren (MANG 295 may substitute for **COMM 420—Goal 12**)
- **Or ECON 111:** *Contemporary Economic Issues for the 21<sup>st</sup> Century* with Dr. Marks
- Visit companies in Ma'anshan, Beijing and Shanghai.
- Visit the Forbidden City, the Great Wall, Beijing, Shanghai, Nanjing, Yellow Mountain, and more.
- Have your own Chinese "Buddy" from Anhui University of Technology to explore with.

*This program waives **Gen Ed Goal 9** as an "approved international experience"  
ECON 111 meets **Goal 8** as a "Social Science"  
COMM 420 meets **Goal 12** as an "upper level humanities" course*

**Scholarship opportunities available**

**Informational meeting:  
Tuesday, Sep. 23, 5:00 pm, Hiner 210**
