

Second Annual Golf Tournament

The Manor Golf Club

June 11th at 8:30 am

Greetings,

The Call Me Mister organization at Longwood University will hold its *Second Annual* Captain's Choice Golf Tournament on June 11, 2011 at The Manor Golf Club in Farmville, Virginia.

Call Me Mister was established to support African American males in their pursuit of a career in elementary education. There is a major shortage of African American male teachers in elementary schools across Virginia and the Country. You can be a key supporter of our charity tournament by sponsoring a hole at one of the following levels:

- Gold - \$ 1,000
- Silver - 500
- Bronze - 250

Contributions received during the golf tournament will provide scholarships to African-American male students at Longwood University that are pursuing a teaching degree in elementary education. Many of these students are graduating from Buckingham, Cumberland, Prince Edward, and Nottoway and are members of The Mister Program in their local school division.

Thank you for your support and we look forward to your contribution in this prestigious event.

Sincerely,

James Fowlkes
Golf Chairman
