Crossroads Community Services Board
Southside Area of Virginia

About the Employer:

The focus of the Crossroads Community Services Board is to prevent and treat the occurrence of mental illness, intellectual disabilities, substance use and co-occurring disorders and to enhance the functioning of individuals and families who experience these conditions.

Crossroads Community Services Board was organized in 1973 as a cooperative venture among the counties of Amelia, Buckingham, Charlotte, Cumberland, Lunenburg, Nottoway, and Prince Edward. The Services Board, the governing body over the agency’s programs, consists of representatives appointed by the Board of Supervisors in each of the counties and includes elected officials, individuals receiving services, family and community members.

The major efforts of Crossroads are directed toward the transformation into a true community based system of care. The individual participates in a service system based on principles of recovery. All programs and services use the recovery model in which peer supports and participation are essential elements.

How can you get involved?

Crossroads provides a number of programs and services in the Farmville area. They also regularly attend Longwood Job & Internship Fairs. The Spring Job and Internship Fair will be held on February 19th in Blackwell Ballroom.
