New Psychology Faculty Member!

Dr. Kurt Crandall is a clinical psychologist and recently joined the psychology faculty here at Longwood. He received his M.A. in General Psychology from James Madison University and his PhD in Clinical Psychology from the University of Kansas with a specialty in Health Psychology. He interned at the VA Medical Center in Washington, D.C. and spent three years as an Assistant Professor in the Department of Psychology at Wesleyan College in Macon, GA. Following his teaching stint at Wesleyan he returned to clinical work to complete a Postdoctoral Fellowship with an emphasis on couples and family therapy at a community mental health center in Chicago. Last year he worked as a staff psychologist at the VA Hospital in Seattle, WA treating veterans in a Primary Care Clinic. His areas of interest and experience are in clinical health psychology, positive psychology, and cognitive/behavioral therapy.

Senior Winners of Best Poster Award

At the end of each semester, seniors in the Senior Seminar class present posters of their research project. The faculty votes on the best poster, and last spring the winners were Hannah Hume and Caitlin Daly. Their project was about the effects of peer rejection.

A Note on Internship Registration

Be aware that students cannot register themselves for internships – you need to see Dr. Laws (department chairperson) in order to register. Also note that you need to register for your internship by the end of the drop-add period for the semester or summer session in which you are doing the internship.
