

Longwood University's 2 year calendar is designed to assist in coordinating the scheduling of major campus events. Two specific designations are noted on this calendar, Signature Weekends and Signature Events.

Signature Weekends events require extensive resources and personnel and are marked in **blue**. During a Signature Weekend only those activities related to that event, an Admissions Program, and/or a University Advancement or Alumni Relations event will be scheduled. All other events will be required to select an alternative date.

Signature Events are major University events and appear in **red** print. Scheduling of other events on these dates may be restricted due to limited resources.
