

2020 CACREP Student Outcomes

Master of Science in Counselor Education

Clinical Mental Health Track

School Counseling Track

College Counseling/Student Affairs Track

Longwood University is a small public institution in central Virginia. We have three program options accredited under the Council for Accreditation of Counseling and Related Educational Programs (CACREP) 2016 standards: Clinical Mental Health (60 credit hours), School Counseling (60 credit hours) and College Counseling and Student Affairs (60 credit hours). Each track in Longwood's Counselor Education program is certified accredited by CACREP through March 31, 2028. This information is required by all CACREP-accredited programs and must be made available on the program's website.
