Friday, December 3, 2021 ARP Phase II

Dear (name),

Congress has allocated funds as part of the American Rescue Plan (ARP) to colleges and universities to directly help students impacted by the pandemic.

Longwood distributed the bulk of this funding to students earlier this semester. Because you were not enrolled at the time of that distribution, you did not receive funding, however we are distributing funds from the ARP to you now.

The grant amount you will receive is \$(Amount based on award tiers).

These funds can be applied directly to your student account for the spring 2022 semester or, if you prefer, we can issue you a check. Please log into your student account by December 10 to select your preference.

We know that this pandemic has had a financial impact on many students and families, and this money will provide meaningful assistance.

We are here to help if you have any unanswered questions. You can find a list of helpful FAQs on our website or email us at questions@longwood.edu.

Best,

Dr. Jennifer Green
