As the host organization/agency, the Department of Psychology asks that you:

A. assign a supervisor to direct and coordinate the student's internship
B. provide the intern meaningful tasks and to strive to expose him/her to as many operational aspects as possible
C. offer constructive criticism directly to the intern when needed
D. ensure that the intern is never alone with patients (in clinical settings)
E. alert the Psychology Department Internship Coordinator about any problems relating to the intern's performance
F. request that the intern be withdrawn when personal conduct warrants
G. terminate an intern only with just cause and prior notice to the Psychology Department Internship Coordinator
H. evaluate the intern's performance upon completion of the internship at this link: https://www.surveymonkey.com/r/longwoodcarkenord

I verify that this student has been accepted as an intern at my organization/agency, and further I agree that my organization/agency will do its best to adhere to the responsibilities listed above

Signature of Organization/Agency Contact Person: ____________________________ Date: ____________
I understand that I am participating in an internship sponsored by The Department of Psychology and an off-campus organization/agency. I recognize that in the internship I am subject to the rules, regulations, and policies of Longwood University, as well as those that the field supervisor deems appropriate for the organization/agency.

I understand that I am not covered by the agency’s fringe benefits program and that it is my responsibility to make arrangements for my own insurance, including accident, health, and hospitalization coverage. I will not hold the internship organization or agency, or Longwood University, or any of the personnel employed by these organizations liable for injury or death as a result of this internship.

I understand that in the internship I will be representing both Longwood University and The Department of Psychology; and I will do nothing that would adversely affect the image of either unit. I agree that if any of my behavior is deemed inappropriate (detrimental to the intern, the organization/agency, or Longwood University), I will be withdrawn from the internship and accept a grade of “F”.

I understand that my failure to abide by the policies and procedures of the internship program may result in termination of the internship with a grade of “F.”

I further agree that I will:
   a. always dress appropriately for the internship
   b. notify my organization/agency supervisor as soon as possible should I be unable to attend on a given day
   c. avoid becoming involved in office politics and/or ideological disputes
   d. maintain confidentiality of records and internal matters at all times
   e. obtain prior approval from the department internship coordinator and organization/agency supervisor before circulating any written work I do as part of the internship
   f. never drive any organization/agency vehicle
   g. never be in possession of or use any firearms or other weapons during the internship
   h. never be alone with patients without a supervisor being present (for internships in mental health organizations)

Depending on the organization where you are doing your internship, you may be subject to background investigations, which could include driving history, criminal background check, and/or drug testing. Arrangements for such investigations should be made sufficiently in advance to avoid becoming a barrier to completing your internship. Also, note that the time required to complete such an investigation does not apply toward the internship.

I have read this agreement and will abide by these policies and stipulations. I also understand that failure to abide by these policies and stipulations will result in a reduction of my final course grade.
