Private Providers of Mental Health Services

When and where a veteran served and the nature of the veteran's discharge all play a role in determining a veteran's eligibility for care through the Veterans Administration. In some cases, veterans will require screening, assessment, and treatment through a non-VA source. The Virginia Wounded Warrior Program/Region IV, is postured to assist all veterans with their mental health direct service needs. In cases where eligibility for care through the Veterans Administration is in question, please contact the Region IV Coordinator, Ed McIntosh, mcintoshe@rbha.org, or call (804) 212-5896.
