

## **Hidden Diversity**

Is what you see always what you get?

### **Goals:**

- Define terms related to diversity
- Expand your concept of diversity
- Recognize how easily stereotypes are developed
- Recognize some of your own stereotypes
- Brainstorm the impact of diversity in your student group and how to use diversity to make your group stronger

### **Diversity Definitions:**

1. Stereotype-
2. Prejudice-
3. Discrimination-
4. Diversity-

### **Diversity in Your Group:**

1. In what ways has diversity impacted your group? What considerations have you had to make due to diversity?
2. What can you do to recognize diversity ( individual/ group activities) in your group?
3. How can you use diversity to make your group stronger?
