***Constitution of the
Virginias Collegiate Honors Council***

As amended March 17, 1990, & March 30, 2002)

This organization shall be known as the Virginias Collegiate Honors Council, afterwards referred to as VCHC.

The mission of VCHC shall be:

1. to provide a forum for sharing information about Honors programs;
2. to provide students with greater opportunities for intercollegiate Honors programs activities, including the opportunity for students to present their own research publicly in an academic setting;
3. to collaborate with regional and national organizations which have similar goals;
4. to encourage articulation between two- and four-year Honors programs;
5. to increase public and private awareness of and fiscal commitment to Honors programs and projects.
6. to work closely with SCHEV to encourage excellence in undergraduate education and to encourage the development of honors programs/colleges in all state institutions of higher learning;
7. to work closely with the Virginia Foundation for the Humanities to encourage excellence in undergraduate education.
