The Virginia Department of Education does not endorse or promote resources and materials on these draft pages. The list provides information available online, in print, and by telephone - some are targeted for adults, some for teenagers.

Websites:

- **Adolescent Directory On-Line**
<http://education.indiana.edu/cas/adol/adol.html>
An electronic guide to information on adolescent issues, a service of the Center for Adolescent Studies at Indiana University
- **Alcohol and Other Drug Issues**
<http://www.dcs.wisc.edu/pda/hhi/aoda.htm>
Website for the Professional Development and Applied Studies or the University of Wisconsin-Madison that concentrates on alcohol and other drug issues; offers resources and advertises workshops
- **Alcoholics Anonymous**
<http://www.aa.org>
This information is both for people who may have a drinking problem and for those in contact with people who have, or are suspected of having, a problem.
- **CDC Wonder**
<http://wonder.cdc.gov>
An easy-to-use database system that provides a single point of access to a wide variety of CDC reports, guidelines, and numeric public health data
- **The Combined Health Information Database (CHID online)***
<http://chid.nih.gov/>
Bibliographic database of health promotion and education materials and program descriptions
- **Community Drug Alert Bulletin on Club Drugs**
<http://www.nida.nih.gov/ClubAlert/ClubdrugAlert.html>
Offers an overview of the scientific data on several of the most prevalent club drugs
- **Drug Abuse Resistance Education (DARE)**
<http://www.dare-america.com>
Since its early beginnings, D.A.R.E. has always taken the anti-drug, anti-violence message to the streets. Now D.A.R.E. has taken this powerful message to the biggest street in the world, the Information Superhighway.
- **Drug Net**
<http://www.drugnet.net/>
Among other things, researchers will be able to collaborate on an ongoing basis, share ideas and experiences, and obtain a wealth of resources not currently accessible on any other type of platform.
- **The Federal Resources for Educational Excellence (FREE)**
<http://www.ed.gov/free>
Offers resource information on various education topics

The Virginia Department of Education does not endorse or promote resources and materials on these draft pages. The list provides information available online, in print, and by telephone - some are targeted for adults, some for teenagers.

- **The Gateway to Educational Materials (GEM)**
<http://www.thegateway.org>
Search engine for educational materials on all topics and for all levels
- **Healthtouch**
<http://www.healthtouch.com/>
A resource that brings together valuable information from trusted sources on topics such as medications, health, diseases, supplements and natural medicine.
- **HIV Insite Knowledge Base**
<http://hi.vinsite.ucsf.edu/topics/abuse/2098.409a.html>
Talking With Kids About Tough Issues is a national initiative by Children Now and the Kaiser Family Foundation to encourage parents to talk with their children earlier and more often about tough issues like sex, HIV/AIDS, violence, alcohol, and drug abuse.
- **Making the Connection: Skills and Training for Providers**
<http://www.siecus.org/pubs/cnct/cnct0007.html>
Sponsored by SIECUS; outlines some specific skills that sexuality educators should have, provides links to websites titled “Impact of Contraceptives on Sexuality” and “Taking a Sexual History of a Client”
- **National Clearinghouse for Alcohol and Drug Information**
<http://www.health.org/index.htm>
A service of SAMHSA. SAMHSA is the Federal agency charged with improving the quality and availability of prevention, treatment, and rehabilitative services in order to reduce illness, death, disability, and cost to society resulting from substance abuse and mental illnesses.
- **NIDA Notes (newsletter)**
http://www.nida.nih.gov/NIDA_Notes/NNVo114N4/Index.html
NIDA Notes covers drug abuse research in the areas of treatment and prevention, epidemiology, neuroscience, behavioral science, health services, and AIDS.
- **PREVLINe: Prevention Online**
<http://www.health.org/>
Prevention Pipeline offers current, comprehensive information about preventing substance abuse problems. The publication is widely read by those operating or planning community programs, educators, researchers, information specialists, administrators, and policymakers.
- **Texas Prevention Curriculum Guide: Drug and Violence Education**
<http://www.esc4.net/dave/>
The Texas Prevention Resource Guide: Drug and Violence Education is a tool for promoting health and safety among young people. It infuses research-based prevention education into the core and supplemental curricula to provide students with consistent, firm, no-drug-use, no-violence messages in all areas of their education.

The Virginia Department of Education does not endorse or promote resources and materials on these draft pages. The list provides information available online, in print, and by telephone - some are targeted for adults, some for teenagers.

- **A Teacher's Guide to the U.S. Department of Education**

<http://www.ed.gov/pubs/TeachersGuide/>

features information about the latest Department initiatives, an update on specific programs for schools and teachers, and a list of services and resources—both at the Department's headquarters here in Washington, D.C., and nationwide

- **A World of Prevention**

<http://www.tyc.state.tx.us/prevention>

directory of programs, research, references and resources dedicated to the prevention of child and adolescent problems and the promotion of youth development in families, schools and communities

The Virginia Department of Education does not endorse or promote resources and materials on these draft pages. The list provides information available online, in print, and by telephone - some are targeted for adults, some for teenagers.

 336 pages
Available at most major bookstores

The Virginia Department of Education does not endorse or promote resources and materials on these draft pages. The list provides information available online, in print, and by telephone - some are targeted for adults, some for teenagers.

Videos:

Specific Videos:

- ***Alcohol and the Brain***
 Distributed by: Educational Video Network
 Date: 1997
 Length: 16 minutes
 Grades: unknown
 To purchase: order online at www.edvidnet.com or call (800) 762-0060, order #410V
 Description: Learn what happens in your brain and in your body's other major organs when you drink. This informative video discusses the psychopharmacological aspects of alcohol.
- ***Dangerous Party Drugs***
 Distributed by: Educational Video Network
 Date: 2001
 Length: 32 minutes
 Grades: unknown
 To purchase: visit www.edvidnet.com Catalog #616V
 Description: "Party drugs" are nothing to play with. Many of them are frighteningly lethal, while others can produce profound brain or organ damage. Learn about the drugs that are most in vogue on the club circuit and at "raves." Important information about Ecstasy, 2C-B, Rohypnol, GHB, Ketamine, psilocybin mushrooms, and Fry is provided in a straightforward, no-nonsense presentation. Understand the dire consequences of experimenting with these illegal substances.
- ***Ecstasy: When the Party's Over***
 Distributed by: Educational Video Network
 Date: 2001
 Length: 27 minutes
 Grades: unknown
 To purchase: visit www.edvidnet.com Catalog #804V
 Description: Because the designer drug known as *Ecstasy* is able to make people feel more connected to one another, it has become extremely popular among teens who attend all-night dance parties called *Raves*. It is also widely used by those who frequent the club scene. Ecstasy, also known as *MDMA*, is an addictive hallucinogen that can cause serious problems for those who use it. Even death can result when this drug is ingested. Learn the facts about Ecstasy and understand why it is nothing to play with.
- ***Emotional Choices: Not Just A Body***
 Distributed by: United Learning
 Date: 1998
 Length: 19 minutes
 Grades: 8-12
 To purchase: visit www.unitedlearning.com

The Virginia Department of Education does not endorse or promote resources and materials on these draft pages. The list provides information available online, in print, and by telephone - some are targeted for adults, some for teenagers.

Description: An insightful group of teens examine the emotional impact of becoming sexually active, and of behaviors such as the use of alcohol, which can put teens at risk. Includes Leader's Guide and Blackline Masters, both available in PDF format.

- ***In the Mix #416 Alcohol: What You Don't Know ****

Distributed by: Castle Works, Inc.

Date: 1998

Length: 30 minutes

Grades: 6-12, college

To purchase: visit www.castleworks.com or call *In the Mix* at (800) 597-9448

Description: We meet some teens who are recovering alcoholics and a boy who paid a high price for drinking and driving: he was left partially brain-damaged from an accident. In a powerful segment, two 21-year olds test the real physical effects of alcohol on the body as they drink and drive under supervision of the police and a doctor. They dispel myths about alcohol and ways to sober up. In other segments we take a look at a high school program in which upperclassmen hold workshops on drinking for younger students; and we see what really goes on at a police sobriety checkpoint.

Discussion guide included, and lesson plan available on www.inthemix.org

- ***In the Mix #433 Drug Abuse: Altered States***

Distributed by: Castle Works, Inc.

Date: 1999

Length: 30 minutes

Grades: 6-12, college

To purchase: visit www.castleworks.com or call *In the Mix* at (800) 597-9448

Description: Co-hosted by Art Alexakis of the rock band Everclear, this half-hour special dispels the image of drugs as cool and glamorous. Dr. Alan Leshner, Director of the National Institute on Drug Abuse, gives the hard facts on how different drugs affect the body and counters common myths. Viewers also see the social consequences of drugs as *In the Mix* visits a prison boot camp, where teen cadets are straightening out their lives, and a residential treatment center, where teens are dealing with their addiction. We also meet teens who are taking a tough stand against drugs who show that it is possible to say "No" and remain cool. Discussion guide included, and lesson plan available online at www.inthemix.org

- ***In the Mix # 443 ECSTASY***

Distributed by: Castle Works, Inc.

Date: 2001

Length: 30 minutes

Grades: 6-12, college

To purchase: visit www.castleworks.com or call *In the Mix* at (800) 597-9448

Description: No longer just used in clubs, ecstasy and other drugs like special K, LSD, and Crystal Meth are finding their way into schools and home as their use grows among young teenagers who view them as "harmless fun." Teens in rehab talk candidly about their common experiences with ecstasy and the devastating effects on their lives. We ride along with an undercover cop and teen EMTs, plus we interview Dr. Alan Leshner, director of NIDA, and a District Attorney. Discussion guide included.

The Virginia Department of Education does not endorse or promote resources and materials on these draft pages. The list provides information available online, in print, and by telephone - some are targeted for adults, some for teenagers.

- ***Sports, Drugs and You***
 Distributed by: Educational Video Network
 Date: 1999
 Length: 13 minutes
 Grades: unknown
 To purchase: order online at www.edvidnet.com or call (800) 762-0060, order #670V
 Description: What effects will alcohol, nicotine, marijuana, and steroids have on your athletic performance? You may think that because you're in shape you can get away with using these substances. This video will open your eyes and change your mind.

- ***Teenage Alcohol Abuse***
 Distributed by: Educational Video Network
 Date: 1997
 Length: 20 minutes
 Grades: unknown
 To purchase: order online at www.edvidnet.com or call (800) 762-0060, order #265V
 Description: This program describes the dangers of abusing alcohol by presenting the facts and dispelling the myths, thereby helping teens to make the right choice.

- ***Teens, Alcohol, and Club Drugs***
 Distributed by: Educational Video Network
 Date: 2002
 Length: 21 minutes
 Grades: unknown
 To purchase: visit www.edvidnet.com
 Description: Everyone likes to have fun, but when drugs and alcohol become involved, having fun can become dangerous. Learn about the risks associated with mixing teens, alcohol, and club drugs such as "Ecstasy," "Roofies," and "Special K."

Videos:

- ***All of Us: Talking Together: Sex Education for people with Developmental Disabilities***

Distributed by: Aquarius Health Care Videos

Date: 1999

Length: 38 minutes

Grades: unknown

To purchase: visit www.aquariusproductions.org

Description: Let's get the conversation started! Designed for parents, caregivers and young people to watch together, Talking Together addresses the critical need for sex education for developmentally disabled young people by providing step-by-step information and direction. Real life parents, their DD young adult sons and daughters, and educators demonstrate practical models to empower parents and caregivers to arm our young people with life saving knowledge and strategies. A detailed sex education segment includes: reproductive anatomy, pregnancy, contraception, and disease prevention. The mysterious, often elusive world of social skills is considered along with the desire for friendship, companionship, romance and relationships. Public/private behavior is also covered.

The Virginia Department of Education does not endorse or promote resources and materials on these draft pages. The list provides information available online, in print, and by telephone - some are targeted for adults, some for teenagers.
