Distributed by: Marilyn K. Volker, Ed.D.

Date: unknown

Length: 45 minutes

Grades: teens

To purchase: contact Dr. Marilyn Volker at (305) 443-8850

Description: It stars 8 deaf teens ranging in ages 14-19 interacting within four "target" scenes. The first scene features a mom finding a daughter's birth control pills; one scene is about a young couple talking about having sex; another scene is about a young man who thinks he is gay; and there is one scene about a young couple in a restaurant talking about HIV when the woman shows the man the contraceptives that she purchased. Each scene presents the scenario, introduces vocabulary used in the scene and stops when a decision has to be made. The facilitator's guide presents questions about the feelings of each person, and the various decisions that could be made, using the decision making strategy: use your head, use your heart, and be safe.
