Courses at a glance

Complete the leveling courses you need to get into a graduate program in Communication Sciences and Disorders or enter the field as an SLPA. Our SLP online courses are offered every semester, asynchronously, so they fit into your schedule. The SLPA pathway can be completed in as few as three semesters, finishing with the SLPA course offered each spring.

CHOOSE YOUR PATHWAY

Is your undergraduate degree in Speech-Language Pathology?

PATH 1	PATH 2	PATH 3	PATH 4
These courses are the prerequisites you'll likely need to apply to a graduate program in Communication Sciences and Disorders: PCSD 201: Introduction to Communication Disorders PCSD 285: Language Development PCSD 307: Phonetics PCSD 313: Anatomy and Physiology of Speech & Hearing Mechanisms PCSD 315: Speech Sound Disorders PCSD 316: Language Disorders Across the Lifespan PCSD 361: Introduction to Audiology & Hearing Science PCSD 370: Aural Rehabilitation PCSD 450: Speech Science PCSD 455: Neurology in Human Communication PCSD 489: Introduction to Clinical Practice PPHY 103: Conceptual Physics (Summer only)	Students who have an undergraduate degree in CSD may be able to take just the SLPA course. Please review ASHA's SLPA requirements. PCSD 497: Roles, Responsibilities, and Competencies of the SLPA (Spring only)	These courses are the prerequisites you'll likely need to apply to a graduate program in Communication Sciences and Disorders: PCSD 201: Introduction to Communication Disorders PCSD 285: Language Development PCSD 307: Phonetics PCSD 313: Anatomy and Physiology of Speech & Hearing Mechanisms PCSD 315: Speech Sound Disorders PCSD 316: Language Disorders Across the Lifespan PCSD 361: Introduction to Audiology & Hearing Science PCSD 370: Aural Rehabilitation PCSD 450: Speech Science PCSD 455: Neurology in Human Communication PCSD 489: Introduction to Clinical Practice PPHY 103: Conceptual Physics (Summer only)	Students take the following ASHA prerequisites: PCSD 201: Introduction to Communication Disorders PCSD 285: Language Development PCSD 307: Phonetics PCSD 313: Anatomy and Physiology of Speech & Hearing Mechanisms PCSD 315: Speech Sound Disorders PCSD 316: Language Disorders Across the Lifespan Upon completion of the above courses, students take the SLPA course: PCSD 497: Roles, Responsibilities, & Competencies of the SLPA (Spring only)

FREQUENTLY ASKED QUESTIONS

Can I complete all the courses online? Yes.

Will I receive help in finding placements?

Students are responsible for selecting a placement for their clinical hours.

When are courses offered? All courses are offered each semester except for PCSD 497 (only spring) and PPHY 103 (only summer).

Does it matter where I am from? SLP Online students from any state can benefit from our courses. Some states' requirements may prohibit admission to SLPA or decide on a case by case basis. We are happy to help you!

ADMISSION REQUIREMENTS

✓ **Online Application**

✓ **Unofficial Transcript** (Only needed if leveling coursework was completed at a school other than Longwood)

✓ **\$40 application fee**

TUITION AND FEES

Based on current tuition rates, tuition is discounted for our professional studies students at \$295 per credit hour (in-state) or \$365 per credit hour (out-of-state). Financial aid is available. Rates effective 2026-2027.
