Saturday Evening Entertainment

Get Psyched with The Evansons! | Jarman Auditorium
Doors Open at 7:30 p.m. / Event Starts at 8 p.m. |

Join Lancer Productions for this amazing Family Weekend event as they present the world-renowned Psychic Mentalist Duo - The Evasons! The show is total audience participation. The Evasons will choose students and guests out of the audience to be part of the show, and you could be one of them!

The Evasons have performed for audiences in over 40 countries and on network TV specials, including Penn & Teller: Fool Us, Powers of the Paranormal, The World's Greatest Magic, and Grand Illusions on NBC, FOX, CW, CBS, CBC, CTV, The Comedy Network and Prime Video. Imagine if someone could read your mind and say things about you that nobody could know. Blindfolded on stage, the enigmatic Tessa knows people's names, birth dates, names of their Grandmother, or even their best friend's phone number.

You could see predictions revealed about the future and experience a teleportation. And if you happen to witness an apparition during the Spirit Photography session, you'll agree with one campus activities director who said: "Their abilities are so awesome it's spooky!"

The show will be family-friendly, so guests of all ages are welcome. Tickets for family members and guests are \$5.00 each. Please present your e-ticket if pre-purchased online during the weekend registration. Ticket sales at the door start at 7:00 P.M. Student tickets are sponsored by Lancer Productions and are free; please present your Longwood student ID at the doors. Doors open at 7:30 P.M. You don't want to miss this event!
