Dates: 1–28 July 2011

Open to all Longwood Students...but previous French instruction is required.

Participation will be limited to 10-11 students, maximum.

Estimated Cost: \$3470

***Don't be fooled by sticker shock!*** This price covers airfare, all housing, tuition at the Université de La Rochelle, costs of weekend excursions, all breakfasts and suppers in La Rochelle, and all transportation in France. Quite simply, this is a bargain for a month's stay in Europe plus all the activities and education.

Price it against six credits of summer school in Farmville!

***The price can change (hopefully downward)!*** Airfares, hotel prices, and currency exchange rates will be in flux until we make reservations.

Longwood tuition for HIST 484 will be assessed separately.
